

2017 Ligier JSP3 Generation 1

Fantastic condition and beautifully prepared with no expense spared. Masters Championship Winner 2023. Low mileage with approximately 6000Kms total time. Fully rebuilt for the '23 season including Engine serviced and all new belts and filters, gearbox fully overhauled, actuator and compressor update and service, dampers overhauled, new Pankl half shaft and C.V. upgrade and new fuel cell. Good spares package including 2 x sets of wheels and running spares. Spare car set of bodywork including wings, floors and crash box available as a separate package. Great performance and value for money. Ideal starter car for Masters Endurance Legends.
